Christ's Care FOR CHILDREN: KENYA

Christ's Care for Children: Kenya is a child sponsorship program, initiated by the LCMS Office of International Mission. It is directly linked to the Project 24 sites in Kenya. It is through care and compassion for these children that they receive safe housing, food, education and spiritual care. Each site is strategically located near an Evangelical Lutheran Church of Kenya church and school so that the children can receive academic as well as spiritual teaching and care.

Currently the seven operational sites have 190 children who are in need of sponsorship. This is purely a child sponsorship program. Each child will have his or her own digital packet that will contain a one-page description of the project/site where the child comes from, information about the child along with his/her picture and then any continuous updates. The child's digital packet will be sent to the donor when the match is confirmed. The child's reports, which will include their welfare, spiritual engagement, school grades and performance, will be made available quarterly.

The program welcomes donors to visit their sponsor child and the place where they stay in the months of February, June or October of every year.

If you would like more information or would like to sponsor a child, please contact:
